

Puppy Crack Training Treats

1 large can of salmon

2 eggs

2 cups of flour (wheat, coconut, oat, gluten free, etc. (any kind will work)

Flake the salmon and mix with the eggs in food processor or with a mixer. Add the flour up to two cups to make a dough. Thoroughly grease a baking sheet, spread out and bake on 350 until done. Cut into small squares. Store in the freezer in small bags/containers, thaw and use as needed!
